DESCRIPTION:

The cylindrical GRAND HOTEL CASINO I flush ceiling light in classic shape is made of ecru color ribbon. A large opening provides a lot of light while the plugs made of milk-color material prevent the dust from getting inside. The polished brass ball and brass fixture only adds to its beauty. Classic round shape of the lamp makes it suitable for both house interiors (bedroom, living room, hallway) and for hotel interiors.

It is very elegant and will undoubtedly make a great decoration of any ceiling. The high-quality textured finish attracts attention and creates interesting and cozy lighting. The use of light dimmer is recommended for creating any desirable atmosphere and for the full use of all of the lamp's values.
