DESCRIPTION:

The round ORIENT EXPRESS lamp is made of the Italian, thickly pleated fabric in white. Large opening provides good light while plugs from neutral cream prevent the dust from getting into the lamp. Polished-brass ball and brass fixture only add to the beauty of the lamp. Its unusual shape inspired by Chinoiserie corresponds to the European style in art, design and architecture, popular in the 17th century which originated from the Oriental countries' culture.

The lamp is designed for house interiors (bedroom, living room, hallway) and in hotel interiors. It is very elegant and will certainly draw attention of even the least aesthetic sensitive guest. High-quality textured finish attracts attention and creates an interesting and cozy lighting.
