DESCRIPTION:

The drawer chest is made of high quality MDF board and poplar plywood. The complete structure is finished with oak veneer and French polish. The top drawers have the tip-on opening mechanism. The remaining drawers are opened by their handles. The brass handles can be polished or satin. The top can be made of any material (glass, stone, veneered MDF board)

The New Burton II drawer chest will serve as an interesting addition to both extravagant and minimal interiors.

AVAILABLE VENEERS:

- 1-natural straight-grained oak (as illustrated)
- 2-American or European walnut
- 3-teak
- 4-oak burr
- 5-walnut burr
